---

## 01. Introduction

---

SysCurve Zimbra to PDF Converter exports emails from Zimbra TGZ mailbox files into PDF documents for archive, review, printing, and sharing.

This guide shows how to load TGZ data, preview mailbox folders, apply date range filters, and save selected emails as PDF files.

## 02. Key Features

---

- Converts Zimbra TGZ mailbox emails into PDF documents.
- Supports preview of loaded folders and messages before export.
- Includes date range filtering to export emails from a selected period.
- Keeps useful email details such as sender, recipients, subject, and date in PDF output when selected.
- Can export selected folders instead of the complete mailbox.
- Processes TGZ data locally on Windows for offline document creation.
